## S.B.A. Man To Meet Residents At City Hall

Hazard Mayor Willie Dawhare announced Friday that a major step in Hazard's urban renewal program will be taken tomorrow morning at 11 a. m., at city hall.

At that time an official from the Small Business Administration's Louisville Office will be in Hazard to work out plans for residents who are forced to relocate by the urban renewal program.

Mayor Dawhare said all residents of the Liberty, High and North Main Street sections are

urged to be at the very important meeting.

Under the SBA a property owner can borrow enough money to re-locate or rebuild and pay it back over a long period of time at a small interest rate.

With the SBA man coming to town tomorrow it looks as if the long awaited urban renewal program will be a reality within the next few months.

"We want everyone at this meeting Tuesday," the newly re-elected Mayor said Friday.

## Hazard Church Men To Hold Annual Fellowship Dinner

The men of the Churches of Hazard and vicinity will hold their Annual Fellowship Dinner Meeting at the First Baptist Church at 6:30 P.M., November 18th the Thursday before Thanksgiving.

This will be the 40th Consecutive Meeting of this group. The first meeting was in November, 1926, at the Hazard Christian Church, and the meeting has been held at a different church each year.

The speaker this year will be Dr. Wade Weldon, Superintendent of the Louisville East District of the Kentucky Conference of the Methodist Church. Dr. Weldon has represented his Conference as a delegate to the following General Conferences: 1956, 1960, 1964. He has been elected as a delegate to the following Jurisdictional Conferences: 1948, 1952, 1956, 1960 and 1964.

He has heretofore served as President of the Louisville Conference Board of Education, Chairman of the Conference Committee on Higher Education, and at present he is serving as Chairman of the Southeastern Jurisdictional Committee of Education.

Dr. Weldon has served churches at Clay, Kentucky

## Fire Department Has Two Calls

The Hazard Fire Department has been called out twice in the past week.

Wednesday afternoon at 5:10 p.m. the FD was called to the home of Mrs. Sarah Miller on Highland Avenue.

Mrs. Miller had left the house and a coffee pot was on the stove, according to Fire Chief Lawrence Sizemore the coffee pot boiled dry and filled the house full of smoke.

No damage was done to the Miller house.

On Tuesday night the FD was called to the Mt. Mary Hospital when the brakes on an ambulance in the ambulance drive became hot and started to smoke.

Smoke filled the upper floors of the hospital but no damage was done.

## Selective Service Honors

Two local girls, who are members of the Neighborhood Youth Corps, were honored in Hazard last week by Col. Everette Stephenson, State Director of the Selective Service System. Col. Stephenson is shown presenting certificates of appreciation to Sue Morris, center, and Patricia Templeton. These young ladies serve as clerks in the local SS office and according to Miss Juanita Sheegog, local board clerk, "they are doing an outstanding job." The two girls have been on the job since July of this year.

## PCRS Receives

### New Ambulance

The Perry County Rescue Squad has received another piece of equipment according to Director Jerry Feltner.

The latest equipment the Rescue Squad received is a 1959 ambulance which the squad purchased from a funeral home in Lexington.

According to reports, the non-profit organization was able to obtain the ambulance for only \$495.

Feltner says that the Rescue Squad now is able to handle almost any situation which would require emergency action with such equipment as an amphibious boat, jeeps, two carry-all trucks, one four-wheel drive pick-up, a large-volt generator, boats and other rescue equipment.

Meeting in Hazard this Sunday will be the Southeastern Kentucky Association of Rescue Squads at 1 p.m.

The meeting will be held at Don's Restaurant with more than fifty persons attending the event. Discussion will center around the different approaches in rescue work.

The Rescue Squad received one call over the weekend when a woman collapsed at her home near Combs. She was admitted to the Hazard Appalachian Regional Hospital.

## VOTE RECOUNT SHOWS NO CHANGES

A recount of votes in two races of last Tuesday's General Election in Perry County has turned up with nothing different.

## Weller Appears

### On TODAY Show

The Rev. Jack Weller, of Hazard, will appear on Friday morning between 7 and 8 a. m. on NBC-TV's TODAY show to discuss his new book which has just been released by the Council of Southern Mountains in Berea.

The book, entitled "Yesterday's People", deals with problems of Appalachia and the culture of Mountain people. Weller said last week that he spent only 30 days in actual writing but had spent many years in West Virginia and Kentucky finding materials for the book.

## PCAC Meeting

The Perry County Advisory Committee will hold its regular meeting tomorrow night at the City Hall according to Chairman Robert Rader.

According to Rader, the meeting will begin at 7 p.m. and the public is invited to attend.

## Napier Boosters In Special Meet

The M. C. Napier Boosters Club will meet in special session this coming Wednesday night at 7 p.m. at the high school.

Booster's Club President, Arlis Fields, has called for everyone connected with Napier High School to be at this very important meeting.

A future showdown meeting with the Perry County Board of Education, concerning the so-called Napier Athletic Debt, will be discussed at Wednesday's meeting.

All parents of athletic boys, either football or basketball, as well as all other interested people along with all grade school principals in the Napier district, must be at this meeting, according to the club president.

# County School Board Agrees To Mobilize Regular Meetings

Dacker Combs Changes Mind About

## Resigning; Napier Athletic Debt To Be Discussed

The Perry County Board of Education voted Saturday to make its group a portable government on wheels for the next four months while visiting throughout the county.

Board member George Caudill made a motion for the school board to hold its next four meetings at the four county high schools at the regular meeting time so more people would have a chance to sit in on the board meeting.

The measure passed unanimously as the portable government will begin its venture around the county next month at Buckhorn High School. The regular meeting will be held at M. C. Napier High School in January, at Dilce Combs High School in February and at Leathwood High School in March.

After visiting the four different areas, the board will hold its fifth monthly meeting at the educational building in Hazard and decide to continue the procedure if it is successful.

Four of the five board members attended the meeting along with Perry County Superintendent Dennis Wooton. The four were: Paul Campbell, J. R. Hurt, George Caudill and Dacker Combs. Hensley Sparks is improving at his home after suffering a heart attack two months ago.

Combs, who announced Thursday morning that he would resign last Saturday, showed up in full force Saturday morning and expressed no signs of resigning.

He gave the following statement to the Herald as an explanation why he did not resign:

"On November 4, I made a statement to the Hazard Herald. What was printed in the Herald was true. I was disgusted and at that time was thinking only of myself. After the article came out many citizens from all over my district called or either talked to me. They said I would be letting down a lot of people who have believed in many of the same ideas and goals as I. For these people, people who I believe are truly interested in their children, people who will not sell their vote on election day, for these people I owe a responsibility and I am sorry for only thinking of myself. I will not resign."

Also brought up at the meeting was the athletic debt at M. C. Napier High School.

The board had received a statement from a sporting goods company asking for payment of over \$2600.

The local board agreed to meet with the Napier Boosters Club, grade school principals, the Napier principal and the

Napier coaches and try to work out an agreement.

In other action, the board voted 3-1 to postpone the building of the new fence around the Dennis Wooton Elementary School until next year.

While making the motion to oppose the new fence Combs stated, "I make a motion to put off the building of the fence until next year because we need rest rooms at Cornett Hill worse than the fence at the Wooton Elementary."

Paul Campbell seconded the motion and the vote carried when George Caudill voted yes as board chairman J. R. Hurt cast his vote against the motion.

Also put off until next year was the blacktopping of basketball courts at the various schools in the county. According to the board, advertised bids would have to be taken and by that time, it would be too late in the winter to lay the black-top.

Combs, once again, made a motion to increase the wages ten cents on the hour to all maintenance men, but a vote was never taken.

Caudill stated that the state would not allow an increase in wages after a worker has been contracted for a year to work for a set wage per hour unless the worker resigned his job and was then rehired.

Minutes of the previous meeting was not approved at the regular meeting because of a tie. Caudill and Hurt voted to approve the previous meeting's minutes but Combs and Campbell voted against it. Last month's meeting was held at the home of Hensley Sparks in Buckhorn and Combs and Campbell did not attend.

The meeting was shifted to Buckhorn on the Saturday morning after Combs and Campbell failed to show up for the scheduled meeting in Hazard. The board drove to Buckhorn and held the meeting at Sparks' home because three members is required to be present before a meeting can be held.

Hired as a school bus driver on Punched-on Camp was Eugene Turney. He will receive \$100 per month to transport school children.

The board approved checks for the administrative staff, checks for contract salaries, teacher's checks and the financial report, also.

The M. C. Napier High School principal was authorized for a surplus property card and the board also voted to supply other principals with the initial card when requested.

Hired as bus drivers were: Billy Ray Eversole, Oscar Bailey, Daniel Maddelina, Herbert Banks.

## Contact Man To Be In Hazard

Mr. A. E. Moore, a Contact Representative of the Kentucky Ex-Service Men's Board will be present on 9 November 1965.

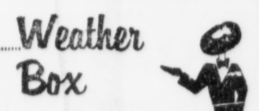

## Morris B. Cole Jr. With Navy In Texas

Seaman Morris B. Cole, Jr., USN, son of Mr. and Mrs. Morris B. Cole, Sr., of 27 S. Poplar Street, Hazard, Ky., is serving at the U. S. Naval Auxiliary Air Station, Beeville, Tex.

The primary mission of the station is to train student Navy, Marine Corps and Coast Guard Aviators by providing final advanced flight training.

## Benny R. Davidson Goes To Charleston

Airman Benny R. Davidson, son of Mrs. Bertha Davidson, Broadway Street, Hazard, Ky., has been assigned to Charleston AFB, S. C., after completing Air Force basic training.

The spring like weather that has been with us for the past several days is beginning to bow out as rain is expected to cover the area tonight with cooler temperatures scheduled to follow tomorrow.

# Possibilities Bright For Perry County Historical Society

M. C. Napier senior Roger Campbell displays one of the old fashioned "Hog Rifles" from the Napier historical collection entitled "Our Heritage". Campbell is a member of Mrs. Lytle's English class.

What started out to be a normal study of the Medieval Period of English Literature for a group of M. C. Napier High School Seniors has suddenly turned into the starting of a long hoped for project in Perry County.

It all started when seniors in Mrs. Lytle's English Class were asked to bring to class something that their ancestors had used in their times.

The response was so great and interest so high that reporters were called in early this week to view the project.

Mrs. W. P. Nonan business manager of The Herald, told a group of the seniors of her plans to start a Perry County Historical Society and asked the Napier seniors to lead the way in getting the society started.

The students have already taken heed to the pleas of Mrs. Nolan and have started to work on obtaining a building to house their goods.

The outstanding collection of old relics included a hog rifle and a recipe for "MOONSHINE or HOME BREW", that's right a recipe for the cherished mountain beverage.

Listed below is the contents of the project which headlined "Our Heritage."

A hog rifle which is over 140 years old.  
A "Crazy" quilt embroidered with the names of a senior's great grandparents and great uncles. It is over 50 years old.  
Several makes of the old flat irons.  
Many traditional quilt and coverlet patterns.

Napier seniors Brenda Fields, and Rhoda Wooton show off the quilt that was turned in by Al Dixon with the names of his grandparents, aunts and uncles on it.

Various styles of kerosene lamps.  
A wooden bread tray used by the pioneers to mix dough.  
A saber which was used in the Civil War.  
A dress sword and buckler.  
A Town's Spelling and Defining Book.  
The minutes of the Trace Branch Church beginning with the Spring, 1896, meeting, donated by Troy Cornett of Dwarf.  
Kettles which were used over the open fires.  
Models of wood and coal cooking stoves.  
Pitchers of various styles.

A 25 Stevens rifle manufactured around the time of the Civil War.

If the local law enforcement agencies will bear with us here is the best recipe turned in for "Moonshine":  
Scald 25 pounds of corn meal, and let stand for about four hours until the mixture sours.

Boil 60 pounds of sugar, add to corn meal in barrel and fill barrel to within 4 inches of the top with warm water.  
Add about 2 gallons of malt corn.

Three to five days are required for the work off.  
The total yield from the above mixture should be from 9 to 11 gallons.

The display will be setup for public view within the next few weeks. Anyone who would like to help the Napier seniors in starting a Perry County Historical Society should contact the school at Darfork.

## FAULKNER THANKS VOTERS

I am taking this means of thanking the 2,979 people who voted for me in the recent November general election for County Attorney. These votes were entirely unsolicited by me, but were voluntary upon the part of those who cast them.

I appreciate very much this expression of confidence. I did not make an active campaign, was scarcely off of Main Street during the whole summer and fall, and made no attempt at an organized campaign. Thank you.

VERNON FAULKNER

## TO THE VOTERS OF WALKERTOWN, LOTHAIR AND HAZARD:

My sincere and humble thanks to everyone who supported my candidacy for City Commissioner. I hold no ill feelings toward anyone who could not support me.

To my workers and friends who worked so hard for me before and during election day, my special thanks are extended.

I pledge to work with the other commissioners for the best interests of All of Hazard.

Again, Thanks! for your support.

Your humble servant,  
ELMER ROLL

## Three Creekers To Boost Chances Of Redskins

Coach John E. Renfro, who began his sixth year at the half of the Cumberland College Indians when practice opened officially last week, will have ten lettermen returning from last year's squad that started out slow but rebounded to finish with a five game winning streak, in compiling a disappointing 12-14 season mark.

Gone from the forward line are senior graduates George LeForce and Paul Falin while Paul Alexander and Larry Boyd are also gone from last year's tribe. Returning are Jim Rollins, (5-6), the trail whipper who filled in capably as a freshman last year with a 10.6 average, and Lewis Couch, (6-2), a sophomore All-Stater returns after a one year lay-off.

Junior Jerry Brown, the 6-9 giant of the squad, is back to handle the pivot position for the Indians. Junior Bill Fannin, (5-11), and Junior Lee Gambrel, (5-11), return to hold down the guard slots. Fannin was the leading scorer and playmaker last year while Gambrel led the team at the free throw line.

Renfro is deep at the guard position with both Fannin and Gambrel being backed up by Bill Jack Dennison (5-8), a speedy floor general who finished the 1964-65 season with a 12.0 average and sophomore Bill Cook (6-3½), the leading scorer on last year's freshman team with an 18.0 average heading the cast of reserves which include juniors Bobby Taylor, (5-11), junior Dave Fairchild, (6-6), and sophomore Paul Haynes (5-10).

The front line of the Indians appears to be stronger in the depth department with the return of senior Carl Yahning, (6-3), and the appearance of two college transfers: Paul Combs and Ike Whitaker, (6-3½). Combs comes from the University of Tulsa while Whitaker transfers from Hill Junior College, Hillsboro, Texas.

Freshmen Gray Atkins, (6-2), and Fred Sagester, (6-5), round out the squad that will open the season November 22 at Barbourville, Kentucky against the Union College Bulldogs.

Homecoming weekend of November 26 and 27 will mark the beginning of the Indians hard-wood action at home when they play host to the 5th Annual Southern States Tournament.

Coach Renfro will be leading his veterans into their first conference action since becoming a four year college in 1959. The Indians are now on a one year associate membership basis and hope to make their first year in the K.I.A.C. a big success.

With the likes of Fannin, Gambrel and Couch producing the points and Brown and Rollins on the boards the Indians have a bright season outlook ahead of them.

## TO THE VOTERS OF PERRY COUNTY:

I want to thank you for the great honor which you have just bestowed upon me by electing me your Sheriff to serve you for the next four years. Realizing the great responsibility attached to this office, I assure you that I will do everything within my power to serve you with honor and dignity.

It is not my intentions to usurp any authority over any other enforcement agency in Hazard and Perry County, but I earnestly solicit and need the cooperation of both the City and State Police Departments. Realizing also that the Sheriff is an administrative officer it is my intention to serve all courts and execute all processes brought to me.

To those who have worked for me and my party throughout this campaign and on election day, I shall always be grateful. I have no ill feelings towards those who opposed me; I hope to prove that I am a friend to them also.

Again thanking you for the trust you have placed in me; that trust I will never betray, so help me God.

Your humble servant,

LOWELL "SPECK" CORNETT

## To The Citizens of Perry County:

I want to express my sincere appreciation and Thanks to everyone who supported my candidacy for the office of Coroner and for the outstanding vote that I received in the election.

My special Thanks are extended to all those who worked so tirelessly before and during the election for me. Mere words cannot express my appreciation. Again Thanks from the bottom of my heart.

## Fifteen Local Units Attend PTA Meet

Delegates from fifteen local units and five representatives of the Ky. Congress attended the Annual Fall Conference of the Tenth District of the Kentucky Congress of Parents and Teachers held at the Roy G. Eversole School on Saturday, October 23rd. Mrs. Norman P. Cornett, President of the District presided at the meeting which opened at 10:00 a.m.

Mrs. Charlie Fugate, Character and Spiritual Education Chairman of the Tenth District gave a most effective and inspiring devotional. The Salute to the Flag was led by Doug Holliday, Buddy Reynolds and Allen Fugate, members of Boy Scout Troop No. 166, H. C. Barnett, Scout Leader, Mrs. Joe W. Duncan, Pianist accompanied the delegates in singing "America".

The welcome address was given by Mr. Dennis C. Wooton, Perry County School Superintendent, who stated "we are happy to have you with us and I would like to add that in Perry County we are improving in every way, building new schools, adding modern equipment, seeing libraries started, some completed, and I attribute a great deal of this to your PTA's and their work." He also stressed the importance of having active PTA's.

Greetings were brought from the Hazard School System, by Mr. Estill McIntyre, Principal of the Roy G. Eversole School. Mayor William C. Dawahere brought greetings from the City of Hazard and presented certificates and keys to the city to Mrs. C. B. McClaren, President of the Kentucky Congress, Mrs. Dallas Brightwell, Executive Secretary, Mrs. William J. Lattin, Mrs. James G. Sheehan and Mrs. Harvey Britton, State Chairmen.

District Officers introduced by Mrs. Cornett, included Mrs. Vincent Boggs, Mrs. Joe Varson, Mrs. Mae T. Jarrell, and Mrs. Teague. District Chairmen in attendance were Curtis Spicer, C. V. Cooper, Jr., Estill McIntyre, Mrs. Jarrell, Mrs. Boggs, Mrs. Morton Carroll, Mrs. John D. Adams, Mrs. George Feltner, Mr. Edward Ahrens, Mr. James F. Cornett, Mrs. Fugate, Mrs. Duncan, Mrs. Clyde Lucas, Mr. Elmer Eversole, Mrs. Teague and Mrs. Varson.

One minute reports on plans for the coming year, and accomplishments to date were given by local unit Presidents.

Mrs. C. B. McClaren, State President speaking on the Critical Issues in our Democracy, and PTA steps toward great decisions stated that these issues included: Financing Public Education; Equalizing Educational Opportunity; Educating for a changing society; clarifying the responsibilities for education decision-making; extending and strengthening community services; combating moral, spiritual and civic apathy; safeguarding individual rights and liberties; coping with the responsibilities of parenthood, including sex education; providing special services for disadvantaged children and eliminating hazards to health and safety as well as waging the peace in the sixties.

She said she had attended a meeting recently where they had spent two days studying the Head Start Program and the Secondary Education Act of 1965 to see what could be done. She stated that our principals and school leaders knew of these things and what could be done through our PTA's. She further urged the Parent-Teacher study groups, have the courage to stand for what is right and what the PTA stands for - to keep abreast of what is going on around us. Referring to education television, she called it a "new educational medium but I feel it has unlimited possibilities. We must have a state network in operation".

The Program and Founders Day Chairman from Owensboro, Mrs. William J. Lattin, urged the local units to plan programs that would interest their members, using the PTA Magazine and the Kentucky Parent-Teacher as well as the National Bulletin, but she further added members must make every effort to attend their meetings in

order to get the most out of any meeting. Have an open house and go back to school night in order for parents and teachers to become better acquainted; review our own area and see what is needed, use your own members on the program - there is unlimited material available. Plan interesting programs for Founder's Day and honor some member - take volunteer gifts.

Mrs. Harvey Britton, State Membership Chairman stated that it has been said the brain of the PTA is the Manual; the heart is the Objects, blood, the program; muscles, the officers and chairmen; voice is the publications and publicity; and the backbone is the MEMBERSHIP which holds the body together. MEMBERSHIP IS LEADERSHIP for we as parent-teacher workers should be building leadership for tomorrow.

Let us all put the ME in MEMBERSHIP - here in the Tenth District you have done a remarkable job, for last year at the State Convention you received the trophy for the greatest increase percentage wise in the state, and I am sure you are working hard for that goal this coming year. Your attendance and enthusiasm at this meeting shows this. Use the National Slogan: Invitation to the Nation; Join the PTA. Attend your local meetings for Acorn Awards are given for local units who have 25% of their members attending, parents and teachers should become membership conscious. In closing she stated that memberships in the PTA are open to every one who is interested in the welfare of our children and youth.

The Civil Defense Chairman, Mrs. James G. Sheehan, stated that Civil Defense involves many phases of PTA; it is a health measure, a safety measure and a foreign relations measure. It is an insurance policy - a program of protection. We must be prepared for any emergency, but hope we don't have to use it.

Blessing before lunch was given by C. V. Cooper, Jr., Reading and Library Service Chairman of the District.

Floral arrangements for the luncheon table were made by members of the Mountain View Garden Club.

During the afternoon session which opened at 1:15 p.m. Mrs. Cornett introduced Mrs. Dallas Brightwell, Executive Secretary of the Kentucky Congress. Mrs. Brightwell stated that kits had been mailed to all presidents of local units, and that blue and white goal sheets had also been mailed. That the State Government at Frankfort had been extremely nice to the Kentucky Congress furnishing them with office space, but with so many new departmental offices now being opened our space was becoming smaller and we must look to the future to secure a new headquarters building. It is necessary she added to get your reports on time to your state office and for needed membership cards to notify the main office at Frankfort.

Upon behalf of Governor Edward T. Breathitt, Kentucky Colonel Commissions were presented by Mrs. Cornett to Mrs. Britton, Mrs. Lattin and Mrs. Sheehan.

The Twin Oak Tree award for 200% membership was presented by Mrs. Britton to Mr. Johnny Fugate, past president of the Robinson Elementary PTA. She also presented Oak Tree awards for 100% membership to Dennis C. Wooton Elementary, Hazard and Robinson Elementary.

Mrs. William J. Lattin presented the Georgiana Lattin Loving cup to Mrs. Cornett and Mrs. George Feltner - Mrs. Feltner and Mr. Curtis Spicer are membership chairmen of the tenth district.

### President of Dorm

Bobbie Jo Gay, daughter of Mr. and Mrs. Abe Gay, and a graduate of the Hazard High School, Hazard, Kentucky, has been elected president of James Hall, a dormitory on the Berea College Campus, where she is a freshman.

In high school she was salutatorian of her class. She also received an English award, a Thespian award, and a library award. Miss Gay is majoring in English.

Founded in 1855, Berea College is a coeducational liberal arts college in Central Kentucky. It is unique in the fact that there is no tuition. Students work in a campus labor program which substitutes for tuition, and through special work programs may earn their other expenses as well. Ninety percent of the students come from the Southern Appalachian area. The primary objective of Berea College is to enable those who could not otherwise afford it to get a college education.

The College also maintains a secondary school program on the same principles. Berea College offers the Bachelor of Arts Degree in 22 fields of study and the Bachelor of Science Degrees in Agriculture, Business Administration, Home Economics, Nursing and Industrial Arts.

## School Library

### Program Discussed

The Library program of the Roy G. Eversole School has been most encouraging during the past year in that there appears to be an increase in the number of students doing independent work, beginning at the third grade level. Many teachers have taken time to make a closer check on the books our boys and girls select to read. These books should always be geared to interest as well as reading levels. This is a vast improvement over the idea that any library book is acceptable.

Too, some of the upper-grade teachers have made use of current materials in the magazines. This has introduced the pupils to Readers' Guide and necessitated a better understanding of its special value.

During American Education Week and Children's Book Week, the younger children display tremendous enthusiasm in the library by bringing their parents to visit the library and pointing them to the sections where they generally select their books.

During the current year it is hoped that through the use of additional Federal Funds, the school shall be able to purchase about \$1600 worth of new library books and materials to add to the present collection.

## Service Guild Meets At Mrs. York Home

The Wesleyan Service Guild met at the home of Mrs. Ance York on Laurel Street Thursday evening with Mrs. York as hostess and the president, Mrs. George Pendleton, presiding.

The meeting opened with a devotional given by Mrs. Jake Kimberlin which was centered around the "Week of Prayer and Self Denial."

The program was presented by Mrs. Bess W. Draughn and the subject used was "Where Women Are." A compass with eight points beginning with the letter C were topics of discussion. These points were the church, charity, change, community, Christian, commission, citizen and challenge.

At the close of the business session which followed the program, refreshments of coffee and cake were served to the following members and guests: Mrs. Jake Kimberlin, Mrs. Stella Pennington, Miss Dicy Callahan, Mrs. Bess W. Draughn, Mrs. Pauline Adams, Mrs. George Pendleton, Mrs. Mary Faires, Mrs. Wilma Robinson, Mrs. Shafter Combs, Miss Daisy Pendleton, Mrs. Victor Tedesco and the hostess, Mrs. Ance York.

Guests were Mrs. Watson Webb, Airport Gardens, Miss Mary Morgan, Laurel Street, and John Brown and Mrs. Julian Ackley, from Harlan.

## Plans Are Discussed For Next Summer's Head Start Program

The Roy G. Eversole School, one of the Hazard City Schools, was the scene last summer of an exciting new program—the Head Start Program. This program was a pre-school program for five and six year old children primarily from low income families, who were to enter first grade in September.

The one hundred twelve children from the City School District who participated in this program have been in first grade for approximately ten weeks. First grade teachers of this system say that first grade children who were in this program are far ahead of comparable groups of years past who did not have the advantage of a Head Start.

Plans are being made too for another Head Start Program for next summer, but there will be some changes:

The first change will be that it will be possible to have two groups. One group will be the five and six year olds who will enter school next fall. The other group will be four and five year olds who will not enter first grade until the following fall. It is presumed that the latter group will have two summers of Head Start with a program of appropriate level each summer.

## Church Enjoys

### New Pastor

The members of the Maple Street Church of God are enjoying their new pastor, Rev. Ed Denham, who came here from West Monroe, Louisiana. He and his wife enjoy our area and say this "is beautiful country with lovely people."

The Denhams have a son who is a minister of music at the Church of God in Phoenix, Arizona. Rev. Denham was born and raised in Somerset, Kentucky. He has been preaching for 25 years and has been in Hazard for two months.

During the month of November the 140 Churches of God in the state will be working to raise 3,000 lbs. of sugar for their church-sponsored Children's Homes. The oldest of these four homes is located at Sevier, Tennessee and accommodates 180 children.

## MEETINGS

## Panthers' Charles Minks Opens Season With 26 Points At Memorial Gymnasium Friday

By OSCAR COMBS

A ten-point outburst by senior forward Charles Minks who racked up 26 points during the night led the Dilce Combs Panthers to a 70-59 victory over the Buckhorn Wildcats Friday night at Memorial Gymnasium in the opening contest of the 54th District.

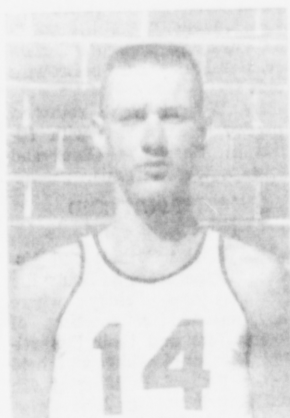

Dilce Combs, who never trailed in the game, was in hot water consistently until the final four minutes.

The Panthers of Coach Harvey Combs built up an early 12-2 lead before Buckhorn's Wildcats rallied behind the outstanding shooting by Freddie Merrill and Clarence Baker and cut the margin to 18-13 at the end of the first stanza.

Dilce and Buckhorn played on even terms during the second quarter as Dilce Combs commanded 34-27 halftime lead. Buckhorn rallied in the final quarter and sliced the Panther margin to 51-48 when Merrill hit a 25-footer with 6:15 remaining.

At that point, the Panthers regrouped their forces and behind the strong rebounding of Carlson Lewis and the outstanding offense from Minks, the Combs club stormed back in front by 55-48 on a Lewis lay-up and a 15-footer by Minks.

Buckhorn gave the last try with 4:01 left when Merrill hit a jumper and was fouled on the play to cut the lead to 59-54. Merrill missed the charity shot and Dilce Combs charged back with seven straight points for

Charles Minks

a 66-54 lead with only 1:30 left.

Minks paced all scorers with 26 points with Lewis pumping in 13 markers for the victors. Lewis pulled off 22 rebounds.

Merrill's 19 points was followed by Baker with 12 points. Combs with 11 points and Noble with 10 points.

### Cumberland Enters KIAC

A big surprise may be in store for the Kentucky Intercollegiate Athletic Conference basketball teams this year according to reports received by this columnist over the weekend while traveling through Williamsburg.

Basketball fans in the Williamsburg are anxiously awaiting the opening game of the 1965-66 season when JOHN RENFRO's Indians collide with Union College's Bulldogs at Barbourville on November 22.

Cumberland, who is participating in its first KIAC season, has gathered quite an array of talented players from Kentucky, Ohio and Tennessee with the 14th and 15th Regions in this area supplying much of the man-power.

Heading the '65-66 squad for Renfro are three former Carr Creekers and two former Trojans from Wheelwright. Bouncing roundballs on the hardwoods for Cumberland include former Indian All-Starter LEWIS COUCH, William Fannin and University of Tulsa transfer, PAUL COMBS, all former players of Carr Creek Coach Morton Combs.

Renfro recruited both Jim Rollins and William Cook from Wheelwright.

According to the Indian mentor, Cumberland has a very good chance of posting the best record in the KIAC this year barring injuries.

Although the Williamsburg institution is a KIAC member, the Indians will not be eligible to capture the crown because of league rules, but will be allowed to participate in the KIAC tournament February 22-24, 1966.

Fannin and Combs have really come a long way since being at Cumberland and Renfro is high on both.

"William is a fine ball handler and an excellent outside shooter," says Renfro. "and Combs is really improving on the backboards." Combs, who stands 6-4 hit with uncanny accuracy from anywhere on the court.

"Anyone who has seen Lewis (Couch) play in high school knows what kind of a player he is," commented Renfro, "he's going to work out fine."

The Indian tutor is also high on Rollins, a 6-6 sophomore and Cook, a 6-2 sophomore. Renfro contends that both will hold their own with anyone.

Heading the front line for the Indians will be a 6-9 giant in Jerry "Jelly" Brown from Clinton, Tennessee. Brown, who was sneaked across the state line from rival Tennessee schools is one of, if not the, most improved players on the squad.

Cumberland opens its home schedule at Gatliff Gymnasium on November 26 and 27 during the annual Southern States Tournament. Other teams in the tourney with Cumberland are Campbellsville, Lincoln Memorial University of Tennessee and Rio Grande of Ohio.

### Dunbar Beats Hazard 27-14

Hazard's football Bulldogs dropped its fifth grid game of the season Saturday afternoon in Lexington when the Dunbar Bearcats blasted Hazard 27-14 after the Bulldogs had built up a 14-13 halftime lead.

George Brown tossed a 36-yard scoring pass to David Graves in the third period for the go-ahead touchdown and Dunbar wrapped up the game on an 84 yard scoring run in the final period.

Houston Hogg put the Bulldogs on the scoreboard in the first quarter when the junior quarterback-fullback returned a kick-off 86 yards for a six-pointer.

Jim Rose pitched an 18 yard pass to halfback David Baker for the final Hazard six-pointer with O. J. Rowe kicking both conversions.

Coach Astor Sizemore's Bulldogs finished the season with an even 5-5 record, the first time that the Bulldogs have finished without a winning season in many, many moons.

### Opening Game Jitters

Friday night's opening game in the 54th District at Memorial Gymnasium showed some first game jitters, but also displayed some exciting individual performances for both the Dilce Combs and Buckhorn fans.

Wildcat center Freddy Merrill showed some uncanny shooting from the outside along with some rough rebounding while Carlson Lewis, a senior Panther, was nothing short of great on the boards while hauling down 22 roundballs.

If a star of the game had to be selected, it would no doubt go to senior forward Charles Minks. The 6-1 scrapper rolled up 26 points on the scoreboard and practically locked the contest up in the fourth period while scoring 12 of his 26 points.

A brother of Freddy Minks, a star basketballer at Dilce Combs during 1960, 1961 and 1962, Charles took complete charge of the contest.

And just a friendly reminder to Lewis, Merrill and Minks on finding their names in the paper. Don't let a little publicity swell your head so big that you become either a shotgun or a ball-hog. As I have stated before in this column, when you think you're good is just when you turned out to be a self player and not a team player. And this goes to all players when one scores 18 or 20 points.

Both teams were very ragged on defense and at times the defense was so leaky that a 5th grader could have drove through for a crisp.

If Dilce Combs and Buckhorn are to win consistently, and they are capable, the two teams' defenses will have to improve considerably.

## Leatherwood Downs Knott County 65-45

Leatherwood's Wildcats opened their 1965-66 cage season on a winning note Friday night at Leatherwood when the Wildcats disposed of the Knott County Cardinals by a score of 65-45.

Young 5-11 senior Richard R. Hall Trent paced the Wildcats with M. Hall ten field goals and two free L. Mullins throws for a 22-point production. Mearl Campbell also netted 16 points for the winners of Coach Lloyd Smith.

Ray Hall led the Knott County scorers with 24 points followed by G. Slone with 8 markers.

Leatherwood staid slow in the first half while managing a 24-20 halftime lead before pouring on the coal in the third quarter and outscoring Knott County 21-9 for a 45-29 margin.

Leatherwood plays host to Letcher County High tomorrow night (Tuesday) at Leatherwood with the varsity tilt set for 8 p.m.

## Chasing lions is all in a night's work

You've probably chased away more lions, tigers, bears and other night-marish animals than all the big-game hunters in Africa.

You know the wild animals that sometimes invade a youngster's sleep simply can't abide an electric light.

So the next time a lion invades your home in the dark of night, just turn on a light. It's the fastest, cheapest way to chase him away.

## BUCKHORN HIGH SCHOOL NEWS

### Joan Whitaker, Freddy Merrill Are Elected Queen And King

By Jeannie Gross

The Halloween Carnival was Friday night, October 29. I think everyone enjoyed it very much.

The King and Queen were elected, and the winners were Joan Whitaker and Freddy Merrill. They have worked very hard, and I think they deserved it.

The school made approximately \$1000 on the Carnival. There was many activities going on. I think everyone especially enjoyed the spook house.

Most of the seniors went to Lexington Monday, November 1, with the exception of the ball boys. We went to see a movie, "My Fair Lady", which has won eight academy awards.

We left at 9:00 a.m. Everyone took food and drinks. The only trouble we had with the food was trying to keep the boys out of it before time to eat. We arrived at Natural Bridge at 10:10.

where we enjoyed all the delicious food. After everyone had finished eating we headed for Lexington. On the way down everyone joined in with the laughs, jokes, and "You Don't Say."

We arrived in Lexington at 12:15. The movie didn't start until 1:30, so we went for a snack. Everyone met in front of the Strand Theatre at 1:15. The movie lasted until 4:30. It was funny, serious, and musical. Just everything! It was a great movie.

We stopped in Stanton and ate supper, and arrived home between 8:30 and 9:00 o'clock.

The Buckhorn Wildcats open up basketball season Friday night, November 5. They will play the Dilce Combs Panthers. Everyone is expecting it to be a good game. The Wildcats have a new coach this year. He is Winfred Clark Smith. We are hoping for a winning team.

### County Agent Heads Program

County Agent Paul Keen was program chairman and W. R. Miller, Quicksand, Ky., was the guest speaker at the Kiwanis meeting Tuesday evening, November 2, at Don's Restaurant.

William is Resource Development specialist in Community Services, with University of Kentucky at Quicksand, and is concerned with the Overall Development program in Eastern Kentucky. He is responsible for the organization of Upper Kentucky River Area Development Council, in which community leaders from Perry, Leslie, Letcher, and Knott Counties get together once a month and discuss programs and problems of the four county area. Cooperation is difficult in this area.

Speaker's subject was "Resource Development". "First and foremost are you ready to receive help?" said he. Are you tonight ready for "Magic Mountain" and Community College? Do you have homes, schools, buildings, friendships, cooperation and smiles (not orders) for new people? We are not "colonies, top sergeants, or even teachers" for the new people. Angle-Saxons, Irish, Scotch, and many other cannot be driven but can be led. Why do we call new people "outsiders or foreigners"? Let's the upper Kentucky counties, work together. We cannot teach the Kiwanis Club but we can teach the individual members. Many officers can be put in our new large Court House.

Visitors included Howard Barkley Green, son of Harold Green, our late vice president who was elected shortly before his death.

### FRIENDS OF PERRY COUNTY:

I take this means to say Thank You for the honor you have bestowed upon me when you wonderful people elected me your County Court Clerk. I am most grateful to every one of you because without your help I could not have attained this victory. Mere words can not express my feelings.

I want to thank all who worked so tirelessly through my campaign and on election day. Even the smallest deed is appreciated. I Thank God for this great country and that we do have a chance to vote as we please. I hold no malice toward anyone who could not support me.

From the bottom of my heart, Thank You.

Respectfully,

EARL M. DEATON

## Learn The Truth About THE CATHOLIC CHURCH By Mail...At No Cost!

You can easily investigate Catholic faith and worship in the privacy of your home.

Just send us your name and address and advise that you want to know what the Catholic Church really teaches...what Catholics really believe. We will send you an interesting course of instruction which is short, yet complete.

We will send you a book explaining Catholic faith and worship...written in an easy-to-understand form. There are six test sheets which you can mark and we will check and return to you. This will enable you to determine how well you understand the book. It will give you quick and authentic answers on any point you do not understand.

There is no writing to do...and nobody calls on you unless you request it. Nobody knows, in fact, that you are inquiring into Catholic teaching. Thousands of people are taking the course and learning for the first time wonderful truths about the Church established by Christ Himself.

We know that many people would like to learn all about the Catholic Church—but hesitate to make personal inquiries. This offer is made so they may get authentic Catholic information and study it in the privacy of their own homes.

You will find in this course answers to the questions which confuse non-Catholics. You will discover that Catholic belief and practice are not what they are so often misrepresented to be.

And if it is true that the Catholic Church is Christ's Church...as we maintain...you owe it to yourself to get the facts. This you can readily do through this short course of instruction...without

cost or obligation...and in the privacy of your own home.

As Catholic laymen, who treasure our Faith, we invite you to understand it and, we hope, to share it.

Write today, giving your name and address and stating that you want the course of Catholic instruction by mail. The book and simple test sheets will be mailed to you immediately. Nobody will call on you or urge you to join the Catholic Church. If you wish...while taking the course...to ask any questions which puzzle you, we will answer them promptly without any cost or obligation to you. Send a postcard or letter now—TODAY! ASK FOR INSTRUCTION COURSE—KC. But—please—apply only for yourself.

## A Sincere Thanks To The People of

## Hazard, Lothair and Walkertown

## From Charlie Hammonds, Newly

## Elected City Commissioner

I would like to express my sincere and humble thanks to all the voters of Hazard, Walkertown and Lothair for their outstanding support in my candidacy for City Commissioner.

My special THANKS to all the wonderful people who worked so diligently for me at the polls on election day and for their support from the beginning of my candidacy.

During the next four years, my only ambition is to work for the people of these fine communities.

What can one say other than Thank You from the bottom of my heart!

Your humble servant,

CHARLIE HAMMONDS.

## To the Voters and Citizens of Perry County:

I want to take this opportunity to express my sincere appreciation and thanks to all the voters and citizens of Perry County for their wonderful vote and support I received in last Tuesday's General election.

To my many friends and workers I wish to express my humble gratitude for their very splendid and successful efforts in my behalf, which will be long remembered.

Again I wish to pledge to all the people of Perry County continued efforts to be a good public official and public servant.

Very Respectfully,

ROY H. JOHNSON
